It appears to the court that the above nine *Evolutionary Intelligence* cases all involve the same two patents and that efficiency and judicial economy suggest that the cases should be consolidated for all pretrial proceedings through claim construction. Therefore, it is hereby ordered that the parties show cause as to why the cases should not be consolidated for pretrial proceedings through claim construction. The parties may file a stipulation for such consolidation and avoid the need to appear, or, if any party opposes such consolidation, it must file a statement not to exceed 5 pages in length no later than Wednesday, July 2, 2014 and appear for a hearing at 9 a.m. on July 11, 2014.
